Engineering Office
Arcade Concept Engineering

Special features LEAN

Construction period
6 months

Start work
06-2018

End of work
12-2018

For Antwerp University Hospital, we built a brand-new 27,000 m² visitor car park with 960 spaces spread over four floors. The car park consists of a prefabricated concrete structure and is equipped with an intelligent parking system. Thanks to extensive LEAN planning, we were able to deliver the project ready for use in less than 8 months.
