Architects Procos

Engineering Office ELD Partnership, Peeters-De Belder

Surface area above ground 8 600m²

Special features **LEAN**

Construction period 6 months

Start work 02-2017

End of work 08-2017

On the Corda Campus, we renovated two former Philips production halls into the workplace of the future: 54 work units, 6 office islands and 40 flexi-workplaces connected by footbridges. This new way of cooperating between the different companies should stimulate crossfertilisation. Thanks to tight LEAN planning, we managed to complete the job in less than 6 months.
