### Engineering Office

**Arcade Concept Engineering** 

Special features LEAN

### **Construction period**

6 months

### Start work

06-2018

### **End of work**

12-2018

For Antwerp University Hospital, we built a brand-new 27,000 m<sup>2</sup> visitor car park with 960 spaces spread over four floors. The car park consists of a prefabricated concrete structure and is equipped with an intelligent parking system. Thanks to extensive LEAN planning, we were able to deliver the project ready for use in less than 8 months.

### Willemen Bouw
