Temporary partnership Franki SA, Franki Construct

Engineering Office Arcade Concept Engineering

Special features LEAN

Construction period 6 months

> Start work 06-2018

End of work 12-2018

For Antwerp University Hospital, we built a brand-new 27,000 m<sup>2</sup> visitor car park with 960 spaces spread over four floors. The car park consists of a prefabricated concrete structure and is equipped with an intelligent parking system. Thanks to extensive LEAN planning, we were able to deliver the project ready for use in less than 8 months.

## Willemen Construct

Boerenkrijgstraat 133 2800 Mechelen, Antwerpen (Belgium) tel +32 15 56 99 65 bouw@willemen.be www.willemen.be

Willemen Construct came into being on 1 July 2018 as a result of the merger between Willemen General Contractor and the construction department of Kumpen.
