10 months

Start work
04-2018

End of work
02-2019

Construction of a Lidl department store on the former Alstom site along the Leuvensesteenweg in Muizen. The total retail area is 1,226m². A car park with 132 spaces has been built around the branch. There are two charging stations for electric cars and bicycles. They are powered by solar panels on the roof.
